Subject: Deficient Application for Transfer of Notice of Intention (Form MR-TRS), Shaw Environmental, Lime Peak Quarry, M/049/0047, Utah County, Utah

Dear Mr. Parks:

On January 11, 2011, the Division received an Application for Transfer of Notice of Intention for the Lime Peak Quarry from Shaw Environmental to Chief Consolidated Mining Company (this had been previously emailed to the Division). The transfer is conditionally approved upon receipt of the item below.

1. A signed Reclamation Contract (Form MR-RC) (enclosed) and reclamation surety in the amount of \$106,800.00. Please contact the bonding coordinator, Penny Berry at (801) 538-5291 or [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) to obtain the appropriate bond forms.

If the above information is not received within 45 days of this letter, including reclamation surety, the transfer will be denied and a new application will need to be submitted. If you have questions regarding this letter, please contact me at (801) 538-5261.

Sincerely,

Paul Baker  
Minerals Program Manager
